THE SCOTCH MALT WHISKEY SOCIETY COLLECTION

We are very fortunate to be one of the few venues that are allowed to sell this scotch malt collection.

The distilleries of the bottles found below are not mentioned, and these are single cask, single malt bottlings. Any bottles designated with a "G" are made with single grain whiskey. The contents of a single cask may not reflect a distillery's style; therefore a different form of identification is needed.

Everything we know about the bottle is recorded on this list. If you must know more, contact the Society at smwsa.com and perhaps they will be willing to offer more information.

Enjoy your wee dram: slainte!

Eucalyptus, tobacco and hessian. Peach soaked in orange liqueur mingles with figs rolls, dates, honey on toasted crumpet. Curiosities of hot dogs with tomato sauce., Benedictine liqueur and laundered linen shets. Fisherman's Friends and balsa wood in the finish. Spectacularly different.

The nose offers dusty pepper, straw and sanded wood: apple, glace cherries and banana chips, then candy floss and Demerara. The palate balances sweet with heat - banana, toffee, butterscotch, caramac and chocolate powder on cappuccino - pink peppercorns, cinnamon and clove.

G4.6

\$52

1988 18 yr single grain whiskey

The nose suggested sweet treats - Battenberg cake and flapjacks smothered in Golden Syrup. Once tasted sweet transferred into cinnamon and then - liquorice, chicory, smoked meat, coal tar soap and patchouli. To taste - Victorian Lemonade, a wet muslin package with clove, ginger, tagine spice and dried banana.
